ANTICIPATION™ Product Use List

**Relaxation™ Intimate Massage Oil**

Ten uses for this amazing oil:

1. The most perfect massage oil on the market. For therapeutic massage, this oil is not greasy and has a slight warming and cooling effect as it is massaged into the skin. Your skin will feel soft and smooth and totally refreshed with no oily residue.
2. An ideal product for dry, itchy legs after shaving, leaving the skin soft and silky.
3. A nonintrusive and nontoxic eye-make-up remover, gently removing mascara and leaving the eyes cooled and refreshed.
4. A powerful scalp treatment with a stimulating effect, promoting healthy hair and minimizing dandruff and dry scalp with no harsh medicines.
5. A defrizzing hair treatment that restores shine and luster to the hair, whether you're blowing your hair straight or leaving it curly.
6. A quick fix for dry feet, softening calluses and removing that dry, chalky look between pedicures.
7. A luxurious bath oil, leaving a fresh, aromatic scent in the air as it softens and moisturizes the skin.
8. A soothing aftershave for men, reducing redness and irritation and leaving the skin refreshed and hydrated.
9. An amazing tanning oil for those less concerned about sunscreens. This oil does not contain sunscreen but rather intensifies the effects of the sun while minimizing the sun's drying effects.
10. Most importantly, this product was designed for couples massage, which happens to be leading the spa industry in revenue. Relaxation™ is an amazing massage oil that is nontoxic and free of dyes, and it can be safely used on the entire body. Please refer to the bottle and catalog for further information.

## **Manipulation™ Intimate Massage Cream**

Ten uses for this amazing massage cream:

1. A truly unique massage product that is very light, soaking into the skin almost instantly. Perfect for massage of the oiliest skin, leaves the skin velvety soft and smooth.
2. Formulated with the magical powers of royal jelly, commonly known in the cosmetic world as the fountain of youth. This is a perfect facial moisturizer for the most sensitive of all skin.
3. A soothing emollient for skin around the eyes. With its cooling agent of mint, it relieves the puffiness of tired eyes day or night.
4. A lovely hand lotion perfectly sized for any hand bag. A woman's delicate hands deserve this luxury any time of the day and after every hand washing.
5. The night cream of all night creams. Applied heavier at night, this cream works on the skin as you sleep and by morning will give you the softest skin ever, with no residue.
6. Perfect for babies, as it is completely nontoxic and tastes great. It keeps your baby's skin as smooth as the day she was born, and moms don't have to worry about babies' fingers going into their mouths with this cream. Be it a daily lotion or for baby's first massage, Mom and baby will both love this product.
7. Due to its great taste, children also enjoy this product, especially when Old Man Winter leaves their newly maturing skin dry and irritated. This cream gently helps remove redness from cheeks and hands after children come in from the cold.
8. In the heat of the summer, this cream's cooling effect relieves mild sunburn pain for men, women, and children.
9. For preteens and teens struggling with pimples, over-the-counter acne medicines can dry out the skin, but this cream gently moisturizes.
10. Most importantly, this product was designed for couples massage, which happens to be leading the spa industry in revenue. Manipulation™ is an amazing massage cream, nontoxic, free of dyes, and can be safely used on the entire body. Please refer to the bottle and catalog for further information.

## **Expectation™ Intimate Massage Gel**

Ten uses for this amazing massage cream:

1. This massage gel is a one-of-a-kind product. After searching hundreds of massage products on the market, I have found nothing to compare to its prestige. It is completely free of oil, water, and preservatives. After applying this, your skin will feel as soft as silk.
2. This is our number-one-selling product, and people buy this more for dry skin than for massage. From your head to your toes, no matter what part of your body is dry, it will no longer be with continual use of this product. Indulge your skin in absolute luxury; you will not be disappointed.
3. This gel is commonly referred to as healing potion. It reduces the harsh effects of eczema and soothes the pain of this skin ailment.
4. With the anti-aging nutrients of berry extracts combined with the cooling and warming agents of mint, this gel is a superior facial moisturizer. It is very light to the touch and perfect for oily skin and the driest of skin.
5. After removing your eye makeup, apply this gel on the eyelid and to the underneath tissue around the eye. The cooling effect feels wonderful and helps lighten dark circles for men and women.
6. Apply this gel to your nail bed and the cuticles of your fingers and toes. It softens the tissue, speeding the healing process of annoying hangnails. It also adds luster to the nail bed.
7. To the delight of many moms, this gel is an amazing diaper-rash emollient. It delivers a slight moisture barrier between wetness and baby, allowing the skin to more freely breathe. After using this gel, your baby's bottom will be as smooth as a baby's bottom should be.
8. For the most luscious of all lips, apply this gel as a lip protection. With each lick of your lips, the taste of berries and mint will leave you wanting more. Your soft, kissable lips will look, feel, and taste amazing.
9. For all the many dog lovers out there, your precious pooch will love the taste of this gel. They will think they have died and gone to dog heaven.
10. Most importantly, this product was designed for couples massage, which happens to be leading the spa industry in revenue. Expectation™ is an amazing massage

product, nontoxic, free of dyes, and can be safely used on the entire body. Please refer to the bottle and catalog for further information.

### **Sophistication™ Intimate Duster**

This little duster is filled with shimmer and sparkle and can be applied to every body part. Used by itself, it adds warmth and sparkle to the skin. But if you infuse it into our other massage products, the sparkles disappear, leaving your skin with a sun-kissed glow. It is fun to dust on and delightful to lick off. It brushes right off from clothing and washes easily off the skin. It actually can be used on all 3,000 body parts, from the top of your head to the tips of your toes. Sprinkling this on your bed linens is fun and romantic, and spices things up a little. It also adds a nice touch to love notes and letters. This is a great gift for daughters of all ages. From the littlest girls to girls just starting to date, From your wedding day to you eightieth birthday party. Women just love to look, smell, and taste pretty. Ten times over, it is the most unique shimmer product on the market. Try it; you will like it!
